

IMAGINE A CURE...

Without you this will not be possible. Let us continue on the path we have forged to date. Both the WMFC and the IWMF have supported key research that has led to significant strides in the understanding and treatment of Waldenstrom's Macroglobulinemia. Your support will ensure we can continue to support this vital research to find a "cure".

I will support the "IMAGINE A CURE" campaign.

NAME: _____

ADDRESS: _____

TELEPHONE: _____ EMAIL: _____
